

Sign Up for Your COVID-19 Vaccine!

Individuals **12 years and older** are now eligible for the Pfizer COVID-19 vaccine through Lurie Children's COVID-19 Vaccine Clinic located at the main hospital in downtown Chicago. Lurie Children's is prioritizing youth and their families who live in Chicago, but appointments for anyone who is eligible will be available based on vaccine supply.

How to Schedule a Vaccine Appointment

1

FIRST DOSE

Visit luriechildrens.org/vaccine or **scan the QR code here** to sign up to receive an invitation to schedule an appointment when a vaccine becomes available.

2

SECOND DOSE

Your second dose appointment will be automatically scheduled exactly 21 days after your first dose and at the same time slot as your first dose. Please keep this in mind when scheduling your first appointment. You will have the option to reschedule your second dose appointment if you cannot make your scheduled appointment.
